Location:

Minneapolis, MN

Length:

Full Time

Do your colleagues come to you when no one else can find a solution? Are you excited about creating solutions using the best and latest technologies? Do you want to help an established company expand its offerings? If so, we would like to hear from you. Our success has increased the demand for our services and we need you to help drive our growth.

THE COMPANY.

As an Oracle partner for the past 16 years, Zirous is focused on delivering high caliber solutions using the latest and greatest Oracle technologies. Our clients seek our professional services to streamline their development and implementation process. We are looking for a E 2.0 Architect who:

- * Can define and implement an E 2.0 strategic vision
- * Loves new technology
- * Is motivated to deliver

THE REQUIREMENTS.

The ideal candidate will have 7+ years experience developing solutions using portal, content management or E 2.0 technologies.

Responsible for developing Zirous's Enterprise 2.0 services strategy by evaluating Oracle's product directions for Portal, User Interaction and E 2.0 related technologies.

- J2EE, E 2.0, Content/Document Management, Portals and User Interaction
- Position entails ability to architect high level solution as well as work on the development and integration of that solution.
- Helps Zirous marketing department develop marketing materials and position strategies for product area in conjunction with overall marketing message framework.
- Develops and maintains relationships with Oracle technical and product development staff.
- Consulting and client relations experience preferred
- Experience with Oracle WebCenter product is a plus
- Excellent communication skills, analytical ability, good judgment and the ability to work effectively with clients and internal staff

THE BENEFITS.

- * Contributing to the success of a high caliber team
- * Competitive salary and benefits package including 401K
- * An environment that fosters personal and professional growth
- * Opportunities to work on exciting and varied projects
- * We value our employees' personal time, career desires and life goals
