Full Time

*Do your colleagues come to you when no one else can find a solution? Are you excited about creating solutions using the best and latest technologies? Do you want to help an established company expand its offerings? If so, we would like to hear from you. We are expanding our operations into the Pacific Northwest and need your help to drive our growth.*

**THE COMPANY.**

As an Oracle partner for the past 16 years, Zirous is focused on delivering high caliber solutions using the latest and best Oracle technologies. Clients seek our professional services to streamline their development and implementation process. We are looking for an Oracle DBA who:

- Will contribute to the strategic direction of our database practice.
- Has the vision to help clients understand the benefits of new product features and enhancements.
- Loves working with and implementing new technologies.
- Is motivated to deliver creative, effective and efficient solutions.

**THE REQUIREMENTS.**

The ideal candidate has:

- Experience architecting, configuring and installing Oracle 10g/11g in multiple configurations.
- Technical experience with: Oracle RAC, RMAN, Data Guard, Database Vault, Audit Vault and related performance and tuning packs.
- Outstanding communication skills, analytical ability, good judgment and the ability to work effectively with clients and internal staff.

**THE BENEFITS.**

Zirous employees enjoy:

- \* Contributing to the success of a high caliber team
- \* Competitive salary and benefits package including 401K
- \* An environment that fosters personal and professional growth
- \* Opportunities to work on exciting and varied projects
- \* We value our employees' personal time, career desires and life goals
- \* Great downtown office location
